MEMORANDUM FOR SECRETARY OF THE NAVY

Subj: DEPARTMENT OF DEFENSE ENTERPRISE SOFTWARE INITIATIVE TANIUM AGREEMENT DESIGNATION AS A CORE ENTERPRISE TECHNOLOGY AGREEMENT

Ref: (a) DoD Directive 8470.01E of 6 September 2018
(b) PEO EIS memo 5000 Ser PEO EIS/164 of 11 Sep 19

1. In accordance with references (a) and (b), the Department of Defense (DoD) Enterprise Software Initiative Tanium agreement is designated as a Core Enterprise Technology Agreement. Spend under this agreement will be considered Best-In-Class in alignment with Information Technology Category Management criteria. The negotiated terms and conditions and lowest defensible pricing will provide significant value to DoD customers.

2. Details of the agreement, including pricing, terms and conditions, and ordering procedures are available at https://www.esi.mil/contentview.aspx?id=993.

3. My point of contact is Mr. Chris Pratt, Project Manager, who may be reached at (202) 433-7599 or chris.pratt@navy.mil.
