

Asset Management Software, special ordering instructions

Regarding competition; Contracting Officers must either compete orders against the BPAs awarded against RFQ 199668 listed below; or do a brand name justification document in accordance with FAR 8.405-6, Limited Sources justification and approval.

Ordering is de-centralized; therefore each procurement activity must make their own determination on the best approach to place orders in accordance with public law, federal regulations and local policies.

Vendor	BPA No.	Products	Notes
