FEES AND PAYMENTS

- 1. GSA Industrial Funding Fee (IFF).** The BPA unit prices include the applicable GSA IFF. The Contractor shall be responsible for all required filings to GSA and for payment of this fee in accordance with applicable GSA instructions.

- 2. Acquisition, Contracting, and Technical (ACT) Fee.** The cost of awarding, administering and managing this BPA is included in the prices charged to ordering activities. The ACT fee is 2%. The Contractor shall remit the ACT fee on a calendar quarterly basis (i.e. January – March, April – June, July – September, and October – December) or as otherwise requested by the Software Product Manager (SPM). Payment is due thirty (30) days following approval of the Report of Sales for the completed quarter. ACT fees that have not been paid within the prescribed thirty (30) days shall be considered a debt to the United States Government under the terms of FAR 32.6. The Government may exercise all its rights under the contract, including withholding or setting off payments and interest on the debt (see contract FAR clause 52.232-17, interest). Failure of the Contractor to pay the ACT Fee in a timely manner may result in termination of the BPA.

- 3. Fee Distribution.** The Army, Air Force, DLA, DISA and Navy are participating in a fee-sharing program. The Contractor shall collect the 2% ACT fee and distribute in accordance with the following procedures. Fee sharing shall be determined by the End User Agency or Service identified in the quarterly Report of Sales. This field shall be notated Army, Air Force, DLA, DISA, Navy or DOD as appropriate. Marine Corps sales are reported under the Navy designation. Fee checks shall not be issued until written approval is received for the Report of Sales.

3.1 ALL SALES:

The 2% ACT fee is split equally between the DoD Component whose customer places the order and the DoD Component that manages the ESI agreement. For example, an Air Force order issued against an ESI agreement managed by the Navy results in one half (or 1%) of the 2% fee being returned to the Air Force acquisition organization (listed under Air Force Sales). The Navy will retain the entire 2% fee under orders issued for Navy activities or those activities that do not collect a fee under the ESI agreements managed by the Navy. The Contractor is responsible for distributing the ACT fee to all applicable Services in accordance with the instructions herein. The amount of ACT Fee due the Navy shall be calculated at 1% for Army sales, 1% for Air Force sales, 1% for DLA sales, 1% for DISA sales and 2% for all other sales.

The Contractor shall remit ACT Fee to the address provided below by corporate or cashier's check made payable to "Treasurer of the United States". No transmittal letter is required with submission of Navy fee checks.
