

# SOFTWARE END USER LICENSE AGREEMENT (Trimble SketchUp)

This Software End User License Agreement (“**Agreement**”) is between Trimble Inc., located at 935 Stewart Drive, Sunnyvale, CA 94085 USA, or the affiliate identified on the Order Form, and its affiliates (“**Trimble**”) and the customer (individual or entity) that has downloaded or otherwise procured the licensed Software (as defined below) for use as an end user (“**you**”). This Agreement covers any Software and supporting user or technical documentation provided with the Software (“**Documentation**”).

## **1. Definitions.**

“**Effective Date**” means the earlier of the date you sign an Order Form or the date on which the Software is first made available to you.

“**Order Form**” means any order (which includes without limitation online orders) which is entered into by Trimble (or an authorized Trimble distributor or reseller) and you under which you are provided the Software. Each Order Form for the Software shall be deemed a part of this Agreement. This Agreement is binding on you whether or not you executed an Order Form with Trimble. Order Forms may not vary the terms of this Agreement. Only a written agreement, signed by Trimble (not a Trimble Supplier) may vary the terms of this Agreement.

“**Trimble Content**” means 3D models, Style files, templates, and other similar materials and content owned by or licensed to Trimble and/or its affiliates whether or not proprietary, which are made available to you through the Software. Trimble Content does not include Google Content (as defined in Section 13.12).

“**Software**” means the Trimble software product(s) for desktop, mobile or server computing devices (including without limitation, SketchUp Pro and SketchUp Viewer) provided in connection with this Agreement in object code form (or as otherwise specified in any related Order Form), including any SketchUp Extensions bundled and included with any of the foregoing at the time of the initial purchase. “Software” shall also include any releases provided to or purchased by you under any separate support and maintenance agreement you may enter into with Trimble. Unless otherwise noted, the Software, Trimble Content and Documentation are referred to collectively herein as “Software.”

“**Third-Party Software**” means any third-party software that is provided to you by Trimble under separate terms and conditions.

“**Trimble Supplier**” means either Trimble or an authorized distributor or reseller of Trimble products or services which has entered into an Order Form with you.

## **2. License.**

### **2.1. Grant of License.**

Subject to all of the terms and conditions of this Agreement, Trimble grants you a non-transferable, non-sublicensable, non-exclusive, worldwide license to use the Software in machine-readable form on any computer and operating system for which it was intended, but solely: (a) in accordance with the Documentation; and (b) in accordance with any additional license term, subscription term or other user, seat, computer, field of use or other restrictions set forth in the applicable Order Form or otherwise specified upon purchase. Subject to the terms and conditions of this Agreement, Trimble grants you a non-transferable, non-sublicensable, non-exclusive license to input, upload, download, reproduce, adapt, make derivative works based on, publicly perform and display, and modify the Trimble Content available through the Software in connection with the normal course of the operation of such Software.

### **2.2. Installation.**

Trimble may make available the Software and Documentation by disk or other media, or for download in electronic form. Trimble shall also provide you with electronic passwords or other enabling mechanisms if necessary to permit the licensed usage of the Software. All licenses shall commence, and delivery shall be deemed to occur, as of the Effective Date (or, if later, such date on which the Software and license keys are first made available to you). If your Order Form is with a Trimble Supplier, that Trimble Supplier (and not Trimble) is solely responsible for delivery to you and Trimble has no liability for any failure to deliver. If the Software requires license keys to operate as licensed to you, Trimble or the applicable Trimble Supplier will deliver such license keys to you.

### **2.3. Software Intended to be Installed on Computers.**

You may copy and install on your computers for use only by your employees the number of copies of the Software for which you have paid the applicable license fee. You may transfer the Software from one computer to another computer provided that the Software is completely removed and de-installed from the prior computer. You may also make a reasonable number of copies of the Software for back-up and archival purposes.

### **2.4. License Restrictions.**

You shall not (and shall not allow any third party to): (a) decompile, disassemble, or otherwise reverse engineer the Software or attempt to reconstruct or discover any source code, underlying ideas, algorithms, file formats or programming interfaces of the Software by any means whatsoever (except and only to the extent that applicable law prohibits or restricts reverse engineering restrictions); (b) distribute, sell, sublicense, rent, lease, or use the Software (or any portion thereof) for time sharing, hosting, service provider, or like purposes; (c) remove any product identification, proprietary, copyright, or other notices contained in the Software; (d) copy (except as expressly permitted in this Agreement), modify or translate any part of the Software, create a derivative work of any part of the Software, or incorporate the Software into or with other software, except to the extent expressly authorized in writing by Trimble; (e) attempt to circumvent or disable the security key mechanism that protects the Software against unauthorized use (except and only to the extent that applicable law prohibits or restricts such restrictions); (f) publicly disseminate performance information or analysis (including, without limitation, benchmarks) from any source relating to the Software; (g) use or host the Software in a virtual server environment; (h) merge the Software with any other data, information and content; or (i) use the Software other than as expressly permitted by the Agreement, including without limitation for commercial purposes such as redistribution or publication in exchange for a fee or other consideration, advertising, or for use in marketing and promotional materials. You acknowledge that you need to obtain a separate distribution license from Trimble in order to distribute or publish the Software or any derivative in any form not expressly permitted in the Agreement.

### **2.5. Trial Software.**

Subject to the terms and conditions of this Agreement, you may choose to download SketchUp Pro for a trial period for 30 days from the date the Software is first run (unless otherwise agreed by Trimble in writing) (the "**Trial Period**"), without charge, solely for your evaluation purposes of its functionality. The time remaining during the trial will be displayed within the Software. Upon the expiration of the Trial Period, the Software will automatically cease to operate.

### **2.6. Educational Versions.**

If you are a qualified instructor at an accredited educational institution, or you are an enrolled student at an accredited educational institution and use the Software in your classwork, you may use the Software for classroom teaching purposes, and classwork purposes ("**Educational Version**"). This includes installation and use of the Software in teaching labs at an educational institution, provided that use of the

Software is by enrolled students who are engaged in classroom learning activities at the educational institution. However, if you are an employee of an educational institution and your job responsibilities are not those of a qualified instructor, you must purchase a SketchUp Pro commercial license. Educational Versions of the Software are for educational purposes only and may not be used for commercial, professional or other for-profit purposes. For example, but not as a limitation, if you are employed as a member of the professional staff of an educational institution such as the facilities management team, you are considered to be engaged in for-profit activity and you must purchase a SketchUp Pro commercial license. In addition, other terms and conditions may apply to Educational Versions including without limitation, screening or author criteria as may be set by Trimble from time-to-time. Please contact Trimble for additional information. Educational Versions are licensed for a one year term unless specified otherwise in the Order Form. Upon expiration of the one year term, your right and license to use the Educational Version of the Software expires and the Software will automatically become inoperable. Qualified instructors, students and institutions may purchase a license for an Educational Version of the Software annually upon meeting all program requirements described in this section.

## **2.7. 3D Warehouse and Extension Warehouse.**

Trimble's 3D Warehouse and Extension Warehouse and the content on them, including without limitation, 3D Models and Extensions, are made available and licensed for access and use pursuant to separate agreements.

## **3. Software Activation and Metering; Software Updates; Consent to Use of Data; Privacy**

### **3.1. Software Activation and Metering.**

Trimble may use your internal network and Internet connection for the purpose of transmitting license-related data at the time of installation, registration, use of or update to the Software, and for validating the authenticity of the license-related data in order to register your Software and protect Trimble against unlicensed or illegal use of the Software.

Trimble may include in the Software, a built-in license metering technology that helps you avoid any unintentional violation of this Agreement. You acknowledge that such metering module may send Trimble on-line notification confirming use of the Software. You will not disable, modify or interfere with the operation of any such module. Trimble may use your internal network for license metering.

Trimble will use information obtained per this Section 3.1 only for the purpose stated in this Section 3.1.

### **3.2. Software Updates.**

The Software may notify and inform you when Updates to the Software are available. The Software allows you to request and receive Updates automatically, and does so by default, though you have the choice to disable this feature. Likewise, you will need to take action to download and install the software on your computer as this action does not happen automatically. "Updates" include maintenance releases, bug fixes, and minor updates to your current version of the Software.

### **3.3. Consent to Use of Data.**

Trimble may collect and use technical information, information about you, and/or data that you provide in relation to your use of the Software or the provision of maintenance and technical support for the Software. Trimble will not use such information in a form that personally identifies you except to the extent necessary to provide maintenance and technical support, or to enhance your use of the Software including requesting feedback on the Software, providing critical updates, notifications regarding pre-

release Software, or to improve the Software. You acknowledge that, to the extent permitted by law, Trimble assumes no responsibility for storage of your data or information.

### **3.4. Privacy.**

Protecting users' privacy is very important to Trimble. As a condition of downloading and using the Software, you agree to the terms of the Trimble Privacy Policy at <http://www.trimble.com/privacy.aspx>, which may be updated from time to time and without notice. Information collected by Trimble in connection with your license and use of the Software may be stored and processed in the United States or any other country in which Trimble or its agents maintain facilities. Accordingly, by using the Software you consent to any transfer of such information outside of your country. You acknowledge and agree that Trimble may access, preserve, and disclose your account information if required to do so by law or in a good faith belief that such access preservation or disclosure is reasonably necessary to: (a) satisfy any applicable law, regulation, legal process or governmental request; (b) enforce this Agreement, including investigation of potential violations hereof; (c) detect, prevent, or otherwise address fraud, security or technical issues (including, without limitation, the filtering of spam); (d) respond to user support requests; or (e) protect the rights, property or safety of Trimble, its users, and the public. Trimble will not be responsible or liable for the exercise or non-exercise of rights under this Agreement.

### **4. Ownership.**

Notwithstanding anything to the contrary contained herein, except for the limited license rights expressly provided herein, Trimble and its suppliers have and will retain all rights, title and interest (including, without limitation, all patent, copyright, trademark, trade secret and other intellectual property rights) in and to the Software and all copies, modifications and derivative works thereof (including any changes which incorporate any of your ideas, feedback or suggestions). You acknowledge that you are obtaining only a limited license right to the Software and that irrespective of any use of the words "purchase", "sale" or like terms hereunder no ownership rights are being conveyed to you under this Agreement or otherwise.

### **5. Payment.**

You shall pay all fees associated with the Software licensed and any services purchased hereunder as set forth in the applicable Order Form. All payments shall be made in advance prior to delivering a Software license, unless otherwise specified in writing by Trimble or the applicable Trimble Supplier. Except as expressly set forth herein, all fees are non-refundable once paid. You shall be responsible for all taxes, withholdings, duties and levies arising from the order (excluding taxes based on the net income of Trimble or the Trimble Supplier).

### **6. Term of Agreement.**

#### **6.1. Term.**

This Agreement is effective as of the Effective Date and expires at such time as all license and subscriptions hereunder have expired in accordance with their own terms (the "Term"). You may also terminate this Agreement at any time by permanently deleting the Software in its entirety. Either party may terminate this Agreement (including all related Order Forms) if the other party: (a) fails to cure any material breach of this Agreement within thirty (30) days after written notice of such breach; (b) ceases operation without a successor; or (c) seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is instituted against such party (and not dismissed within sixty (60) days). If you have entered into a separate written agreement with Trimble which governs the Software and that agreement is terminated, then this Agreement automatically terminates and you shall no longer have any right to use the Software.

Termination is not an exclusive remedy and the exercise by either party of any remedy under this Agreement will be without prejudice to any other remedies it may have under this Agreement, by law, or otherwise. For clarity, even if you have entered into an Order Form with a Trimble Supplier, you agree that Trimble is a third party beneficiary to that Order Form and has the right to terminate this Agreement as set forth in this Section 6 (Term of Agreement).

## **6.2. Termination.**

Upon any expiration or termination of this Agreement, you shall cease any and all use of any Software and destroy all copies thereof and so certify to Trimble in writing.

## **7. Warranty Disclaimers.**

THE SOFTWARE AND ALL SERVICES ARE PROVIDED "AS IS." NEITHER TRIMBLE NOR ITS SUPPLIERS MAKES ANY OTHER WARRANTIES, CONDITIONS OR UNDERTAKINGS, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. YOU MAY HAVE OTHER STATUTORY RIGHTS. HOWEVER, TO THE FULL EXTENT PERMITTED BY LAW, THE DURATION OF STATUTORILY REQUIRED WARRANTIES, IF ANY, SHALL BE LIMITED TO THE LIMITED WARRANTY PERIOD. TRIMBLE MAKES NO WARRANTIES WITH RESPECT TO ANY THIRD PARTY COMPONENTS OF THE SOFTWARE. For the avoidance of doubt, Trimble does not assume and will not have any liability arising from events beyond Trimble's control or the control of its subcontractors, other developers, business partners or licensors, including events such as acts of God, acts of any governmental entity, acts of a public enemy, strikes, natural disasters, or failure or diminishment of power or telecommunications or data networks or services.

## **8. Support & Maintenance.**

Trimble provides the support and maintenance services for SketchUp Pro for an additional fee pursuant to its then-current standard service terms

## **9. Indemnity.**

You agree to hold harmless and indemnify Trimble and its subsidiaries, affiliates, officers, agents, and employees from and against any claim, suit or action arising from or in any way related to your misuse of the Software or your violation of this Agreement, including any liability or expense arising from all claims, losses, damages, suits, judgments, litigation costs and attorneys' fees, of every kind and nature. In such a case, Trimble will provide you with written notice of such claim, suit or action.

## **10. Limitation of Remedies and Damages.**

**10.3.** THE SOFTWARE IS NOT FAULT TOLERANT AND IS NOT DESIGNED, MANUFACTURED OR INTENDED FOR USE IN LIFE SUPPORT, MEDICAL, EMERGENCY, MISSION CRITICAL OR OTHER STRICT LIABILITY OR HAZARDOUS ACTIVITIES (“**HIGH RISK ACTIVITIES**”). TRIMBLE SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR HIGH RISK ACTIVITIES. YOU REPRESENT AND WARRANT THAT YOU WILL NOT USE THE SOFTWARE (OR PERMIT IT TO BE USED) FOR HIGH RISK ACTIVITIES, AND AGREE THAT TRIMBLE WILL HAVE NO LIABILITY FOR USE OF THE SOFTWARE IN HIGH RISK ACTIVITIES. YOU AGREE TO INDEMNIFY AND HOLD HARMLESS TRIMBLE FOR ANY DAMAGES, LIABILITIES OR OTHER LOSSES RESULTING FROM SUCH USE.

**10.4.** The parties agree that the limitations specified in this Section 10 will survive and apply even if any limited remedy specified in this Agreement is found to have failed of its essential purpose.

## **11. Confidential Information.**

Any software, documentation or technical information provided by Trimble (or its agents) shall be deemed “Trimble Confidential Information” without any marking or further designation. Except as expressly authorized herein, you will hold in confidence and not use or disclose any Trimble Confidential Information. You acknowledge that disclosure of Trimble Confidential Information would cause substantial harm to Trimble that could not be remedied by the payment of damages alone and therefore that upon any such disclosure by you, Trimble shall be entitled to appropriate equitable relief in addition to whatever remedies it might have at law.

## **12. Export Compliance; Compliance with Laws**

### **12.1. Export Compliance.**

You are responsible for complying with all applicable export and import regulations and obtaining all necessary export and import licenses or permits for the direct or indirect export or import of any Software. Without limiting the generality of the foregoing, you hereby acknowledge and agree that the Software and any associated Confidential Information are subject to the U.S. Export Administration Regulations and were exported from the United States, if at all, in accordance with those regulations. In the exercise of its rights, and the performance of its obligations under this Agreement, you shall comply strictly with all U.S. export control laws and regulations applicable to the Software, including without limitation the U.S. International Traffic In Arms Regulations (ITAR) (22 C.F.R. Parts 120-130, as amended) and the U.S. Export Administration Regulations (15 C.F.R. Parts 730-774, as amended). You will also comply with all applicable economic sanctions and trade embargo laws, rules and regulations as promulgated by the U.S. Treasury Office of Foreign Assets Controls (OFAC) and Bureau of Industry and Security (BIS). You shall not export, re-export, transfer, divert or disclose any such Software, or any direct product thereof, to any destination restricted or prohibited by U.S. export control laws, or to any national or resident thereof. Your obligations under this paragraph will survive the termination of this Agreement for any reason whatsoever. You will defend, indemnify and hold Trimble harmless against any liability (including attorneys' fees) arising out of your failure to comply with the terms of this paragraph. Your failure to comply with any term of this paragraph will constitute a material breach of this Agreement and entitle Trimble to immediately terminate this Agreement in addition to any other remedy available at law or equity.

You are responsible for complying with all applicable laws, regulations and codes of practice in your use of the Software and any results derived from the Software.

Trimble may assign this Agreement to any affiliate or in connection with a merger, reorganization, acquisition or other transfer of all or substantially all of Trimble's assets or voting securities. You may not assign or transfer this Agreement, in whole or in part, without Trimble's written consent. Any attempt to transfer or assign this Agreement without such written consent will be null and void.

### **13.2. Severability.**

If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in effect.

### **13.3. Governing Law; Jurisdiction and Venue.**

**13.3.1.** Unless you obtained this Software in Canada or the European Union, this Agreement is governed by the laws of the State of California and the United States without regard to conflicts of laws provisions thereof, and without regard to the United Nations Convention on the International Sale of Goods. In such case the jurisdiction and venue for actions related to the subject matter hereof are the State of California and United States federal courts located in Santa Clara County, California, and both parties hereby submit to the personal jurisdiction of such courts.

Neither party will have the power to bind the other or incur obligations on the other party's behalf without the other party's prior written consent.

### **13.8. Force Majeure.**

Neither party shall be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to unforeseen events, which occur after the signing of this Agreement and which are beyond the reasonable control of the parties, such as strikes, blockade, war, terrorism, riots, natural disasters, refusal of license or changes in law or regulations by the government or other governmental agencies, in so far as such an event prevents or delays the affected party from fulfilling its obligations and such party is not able to prevent or remove the force majeure event at reasonable cost.
